Dear Ms. [redacted]

Requests 1–11 — Toneshia Simmons-Huff
The Company located an appointment date of November 16, 2020, and an appointment termination date of February 14, 2024, for Toneisha Simmons Huff, Georgia insurance license number 574903. Other than this appointment and termination information, no additional records responsive to Requests 1–11 were located, including records concerning the reason for termination, termination notices or filings, communications, complaints, investigations, or disciplinary action.

Schedule A identifies the appointment and termination information located for the individuals named in Request 12 and the search results for the remaining individuals. For the individuals with appointment dates listed, the capacity identified is an appointed insurance agent of InsureMax Insurance Company. No additional records responsive to Request 13 were located. Chioma Wright's name was found, but no appointment was issued; no other capacity or authorization is identified by the information located.
A statement that no records were located describes the result of the Company's search; it does not establish that an individual was never associated with the Company. The Company has not determined from the information located whether any unlocated records were deleted or lost, or the date or reason for any such event.

Please let me know if you have any questions.
